Aspiring Software Engineer

Profile

I'm an aspiring software engineer with strong foundational skills in HTML, CSS and JavaScript. I'm currently enrolled in Launch School, an online school for software engineers, where mastery of the fundamentals is required to pass professional written and live coding assessments. I enjoy the challenge of creating user friendly experiences while striving to improve my skills and become a more knowledgeable and effective developer.

Skills

HTML
CSS
JavaScript (ES6)
Node.js

VS Code
SQL
PostgresSQL
Networking

Education
