Aspiring Software Engineer

Profile

I'm an aspiring software engineer with strong foundational skills in HTML, CSS and JavaScript. I'm currently enrolled in Launch School, an online school for software engineers, where mastery of the fundamentals is required to pass professional written and live coding assessments. I enjoy the challenge of creating user friendly experiences while striving to improve my skills and become a more knowledgeable and effective developer.

Skills

HTML	VS Code
CSS	SQL
JavaScript (ES6)	PostgresSQL
Node.js	Networking

Education

Bachelor of Arts in Communication
Rutgers University 2008 - 2011

Full Stack Software Engineer Core Curriculum
Launch School November 2020 - Present

Projects

News App Live | Repo
HTML, CSS, JavaScript, News API
This news app pulls data from a News API and uses JavaScript to parse and display it in a user friendly, responsive format

Cafe Landing & Menu Page Live | Repo
HTML and CSS
Landing and Menu pages created for a fictional Cafe with HTML and CSS using a responsive design
